

EvaluWise Update 1.7.3

EvaluWise Administrator can change the Evaluator on an Evaluation: This new feature will allow the EvaluWise Administrator to click on the Evaluation and then edit or change who the Evaluator is for an evaluation.

To change the Evaluator name Click on the specific evaluation from the Evaluator tab.

Once in the evaluation under the Teachers name and evaluation type, click the pencil next to the Evaluator name. (See Figure 1)

Figure 1

It will bring up a list of evaluators, select the evaluator you would like to change the evaluation to. (See Figure 2)

Set District Archive Settings: The EvaluWise Administrator now has the ability to set the Evaluation archive setting for the district by number of years and starting month.

Click on the (1) Settings Tab – Under Organization – click on the (2) Options Tab. You will see (3) Evaluation Archive Setting. You can select the amount of years and starting month – the Default is 1 year.

Evaluator Filters for Evaluations: The evaluator now has the ability to filter the evaluations. (See Figure 3)

Click on the Evaluations Tab – Below the Search bar you will see the following options to filter your evaluations.

Filter Options: You can now filter on Evaluation Type and/or Date Range (See Figure 4)

Figure 4

Teacher Evaluation Filters: On the Teacher Dashboard the Teachers will see only the evaluations based on archive settings set by the EvaluWise Administrator. They now have an option to view any of the archived evaluations and also the ability to hide any of the completed evaluations. (See Figure 5)

Teacher Goals/Notes Area: This feature allows the Evaluator to set a goal or note for the teacher to view on the teacher dashboard.

The EvaluWise Administrator has the option to update the settings on Teacher Goals/Notes for the district.

Click on the (1) Settings Tab – Under Organization – click on the (2) Options Tab. Scroll down to the last option (3) Teacher Goals/Notes Options. You can select a custom label and if you want it to show on Informal Evaluations, Formal evaluations and or Summative Evaluations. (See Figure 6)
